Kelsey Montague Exhibit at The Evelyn by NYCult & The Wild Magazine | The Evelyn Hotel, Chelsea, New York, NY

Triumph Hotels celebrated the unveiling of a custom artwork by Kelsey Montague at The Evelyn Hotel. Best known for her #whatliftsyou street art depicting wings even celebrities like Taylor Swift have posted for, this new, interactive mural weaves together elements of the Triumph brand and The Evelyn's history with whimsical NYC scenery. Guests gathered around the mural in the lobby, enjoying cocktails by Lantern's Keep and canapés by Chef Shaun Hergatt from Michelin-starred restaurant Juni with a performance by DJ April Hunt. The piece is currently on display and open to the public for photos in The Evelyn hotel lobby (7 East 27th Street).
